

NEW DAILY CHANGE YOUR BUSINESS PERSPECTIVE

IVECO

Your partner for sustainable transport

NEW DAILY

THE VAN THAT WILL CHANGE YOUR BUSINESS PERSPECTIVE

Once again, the Daily is ahead of the pack, anticipating your needs to future-proof your business. The IVECO Daily is ready to change your business perspective forever.

The Daily is designed to help you operate your business sustainably and achieve a healthy bottom line.

The Daily is a driver's van: when you spend the majority of your working day behind the wheel, you want your on-board living conditions and driving experience to be second to none. Throughout its 40-year history, the Daily has continuously made advances to always provide a first-class environment. True to its heritage, it raises your living and driving experience to the highest levels in the industry.

SUSTAINABILITY AND PROFITABILITY

Up to 10% reduction in fuel consumption.
Up to 10% reduction in maintenance costs.

RUN YOUR BUSINESS WITH POWER AND EFFICIENCY

The Daily's focus on efficiency delivers a further step towards zero-carbon transport hand in hand with fuel economy that will benefit your bottom line and the top-class performance you need to complete your mission effectively. Design improvements and longer oil change intervals will reduce your maintenance costs, adding to your profitability.

BIG FUEL SAVINGS WITH THE DAILY'S HIGH-EFFICIENCY FEATURES

Multiple improvements result in significant fuel savings. Features such as a HI-MATIC gearbox, Eco-switch function that changes the engine mapping when less power is required, Impressive Aerodynamic improvements and the new 220 A (12 V) alternator.

UP TO 10% SAVINGS IN MAINTENANCE COSTS

Constant innovations and longer oil change intervals deliver significant savings of up to 10% in maintenance costs. In addition, the bigger oil sump designed for long distance missions extends service intervals up to 30.000 km

TOP PERFORMANCE IN EVERY MISSION

True to its heritage, the Daily offers two engines optimised for top performance in every mission: the 2.3-litre F1A engine, and the 3.0-litre F1C engine. The 3.0-litre engine is also available in a Compressed Natural Gas version, which results in a clean-running and remarkably quiet vehicle. Always at the forefront of the industry, the Daily once again takes the lead as the first vehicle in its segment to introduce an engine that complies with Euro 6D / Temp (WLTP & RDE) and Euro VID emissions standards.

2.3-litre F1A diesel engine

3.0-litre F1C diesel engine

3.0-litre F1C Compressed Natural Gas engine

NEW DAILY ENGINE & GEARBOX

Emission	Engine	Max. power (hp)	Max. torque (Nm)	Gearbox
EURO 3 / 4	F1C 3-litre	146	350	Manual
EURO 5	F1A 2.3-litre	126	320	HI-MATIC
	F1C 3-litre	170	430	HI-MATIC
EURO 6	F1C Natural Power	136	350	Manual / HI-MATIC

HI-MATIC

ABSOLUTE DRIVING PLEASURE

The Daily's exclusive HI-MATIC 8-speed automatic transmission is available across the range, delivering all the benefits of comfort, safety, fuel economy and performance.

You can also enjoy all these advantages, together with the sustainability and low TCO of IVECO's Natural Power technology.

SAFETY

Safe stress-free driving enable you to fully focus on your job.

ENJOY SAFE, STRESS-FREE DRIVING

The Daily makes significant advances on the path towards Safety with an unbeatable set of safety features. These features are at your service: they enable you to fully focus on your job, which requires an increasing degree of multitasking, in full safety. They reduce the risk of accidents on motorways, help you in tricky situations and take the stress away in heavy traffic – to the benefit of your quality of life on board and of your business.

STEERING WHEEL CONTROLS

Improves road safety by allowing the driver to use his phone without taking his eyes off the road or his hands off the steering wheel.

MANUAL AIR CONDITIONING

Studies prove that a comfortable driving environment contributes to driver concentration and improved road safety. The factory fitted manual air conditioning ensures that the driver can control the internal environment irrespective of the season or outside conditions thus improving productivity and safety. Unlike after-market solutions the factory fitted system is fully and seamlessly integrated with your vehicle for long and trouble free service.

DISC BRAKES

Disc brakes provide very good and reliable brake performance because they have good heat dissipation characteristics and self-adjustment as the brake shoes wear down.

ESP

ESP® is always on and enabled. A microcomputer monitors the signals from the ESP® sensors and checks 25 times a second, whether the driver's steering input corresponds to the actual direction in which the vehicle is moving. If the vehicle moves in a different direction ESP® detects the critical situation and reacts immediately – independently of the driver. It uses the vehicle's braking system to stabilize the vehicle. With these selective braking interventions ESP® generates the desired counteracting force, so that the vehicle reacts as the driver intends. ESP® not only initiates braking intervention, but can also reduce engine torque to slow the vehicle. So, within the limits of physics, the vehicle is kept safely on the desired path.

TRAILER SWAY MITIGATION

The vehicle detects the presence of a trailer and adjusts the ESP control logic appropriately to maintain control of the trailer. This is achieved by a combination of individual brake application to the four wheels and regulation of engine output.

HILL HOLDER

Acts on the vehicles braking system to prevent the vehicle from rolling when starting off on an incline. This relieves the driver, simplifies the job and consequently reduces driver fatigue. It also reduces clutch wear and contribute to low cost of ownership.

ON-BOARD LIVING AND DRIVING EXPERIENCE

15% better visibility and obstacle perception with LED lights.

TECHNOLOGY AT YOUR SERVICE

The Daily uses technology to provide a superior driving experience and the perfect working environment. Life on board is easier, more comfortable and more productive than ever.

HI-CONNECT: THE NEW INFOTAINMENT SYSTEM

The Daily offers a **user-friendly infotainment system** with a 7" screen, DAB radio, Driving Style Evaluation, voice recognition, TomTom® car and truck navigation system, and rear camera display. You can easily bring your digital life on board with Apple CarPlay and Android Auto™, which enable you to mirror your device and enjoy your apps in full safety while driving.

HIGH VISIBILITY LED

The **new full LED lights** significantly improve visibility and obstacle perception by 15% with a much sharper beam that carries further. While making a strong design statement you will also enjoy savings on your Total Cost of Ownership, as the LED lights have an extremely long life.

SUPERIOR DRIVING COMFORT AND ERGONOMICS

The Daily's entire steering system has been redesigned to give you the on-board living experience of a passenger car. You can make **both axial and angular adjustments** to the steering wheel and set up the perfect driving position for better comfort and ergonomics. The smaller, leather multifunctional steering wheel puts a wide range of controls at your fingertips and leaves more leg room, adding to your overall comfort.

THE DAILY GETS THE JOB DONE WITH STYLE

The Daily has always been popular for its looks – but with the New Daily, design always goes hand in hand with function. It has been designed with attention to detail, and every element serves a purpose. With your New Daily, you go about your business, completing your mission efficiently and profitably!

STYLISH AND FUNCTIONAL DASHBOARD

The elegant dashboard with its sweeping lines and the new high-resolution colour display cluster and the HI-CONNECT multifunctional screen positioned at the centre puts all the information and controls you need within easy reach.

HI-CONNECT

The new HI-CONNECT infotainment with 7" screen makes it easy to mirror your device with Apple CarPlay and Android Auto™ and bring your digital life on board.

HIGH VISIBILITY LED

The new full LED lights make a strong design statement while significantly improving visibility, with a sharper beam that carries further. You will also enjoy savings on your Total Cost of Ownership, as the LED lights have an extremely long life.

COST-SAVING DESIGN: 3-PIECE BUMPER

Bumpers are easily damaged on urban missions and in busy traffic, and the cost of repairing them can build up. The modular 3-piece design means that you don't always have to replace the entire bumper: in 90% of cases only the damaged section is replaced, with consequent significant savings on repair costs.

NEW FRONT GRILLE

The new, wider front grille increases ventilation while protecting the engine and radiator. The new hot stamping process makes it tough and extremely durable.

MORE PAYLOAD WITH STYLE

The new alloy wheels not only look good: they are so light, they will help increase the useful load by 10 kg on single wheel models.

POWER YOUR MISSION

TOP-NOTCH ENGINES TO UNLEASH YOUR TALENT

PERFORM AT YOUR BEST

You can rely on the Daily to deliver all the power, traction, load carrying capacity and quick response you need to complete your mission efficiently – all this with excellent fuel economy and low total cost of ownership.

CHOOSE YOUR PERFORMANCE

The wide engine line-up, with maximum power up to 170 hp, means that you can choose the performance that fits your mission best. The Daily offers two engines: the 2.3-litre F1A, and the heavy-duty 3.0 litre F1C. If you looking for absolute driving pleasure and improved fleet performance, the class-exclusive HI-MATIC transmission is available across the range, and if you need a particularly quiet vehicle for urban missions, the Compressed Natural Gas powered Daily HI-MATIC Natural Power is the solution for you.

ENDLESS OPPORTUNITIES

A DAILY VAN FOR BOUNDLESS AMBITIONS

FULFILL YOUR AMBITIONS

The Daily is the most versatile vehicle in its class. Its extensive model line-up and bodywork options open up a wealth of opportunities: whatever your mission – be it urban multi-stop deliveries such as parcel or courier service, or heavier transport missions like moving furniture – you can find and customise the Daily to perfectly match your operational and business requirements.

THE PERFECT VEHICLE, SO MUCH TO CHOOSE FROM

The Daily offers the widest line-up in the industry – it is the only van that ranges from 3.3 tonnes all the way up to 7.0 tonnes of gross vehicle weight, with cargo volumes from 7.3 m³ up to 19.6 m³. The Daily's unique versatility means that, whatever your mission, you will find the perfect van to fulfil the ambitions you have for your business.

EXTREME CUSTOMISATION

The Daily is designed and built to offer virtually endless bodywork options, making it easy to customise for your specific needs. It is perfect for highly specialised and demanding adaptations, such as rescue vehicle or ambulance.

	VAN	SEMI-WINDOWED VAN	WINDOWED VAN
GROSS VEHICLE WEIGHT	 3.3 - 7 t	 3.3 - 5.2 t	 4.5 - 6.5 t
CARGO VOLUME	 7.3 - 9 m³	 10.8 - 17.5 m³	 13.4 - 19.6 m³

STRONG BY NATURE

NO ONE COMES EVEN CLOSE

With the Daily you will get the most demanding jobs done faster and with fewer trips: you will save time and money – and reduce your carbon footprint.

BUILT TO LAST

DESIGNED TO DELIVER ENDURING VALUE

You can always rely on the Daily when you need its strength and power. It will carry the heaviest payloads and deliver its top-notch performance day in day out, longer than any other van on the market.

Carry a bigger payload with the high-performance front suspension, which raises the maximum permissible load. You can count on a front axle maximum load capacity of up to 1900 kg on the 3.5-tonne models featuring the lighter, strong QUAD-LEAF suspension, or even higher, as much as 2700 kg, if you opt for a twin wheel model with the QUAD-TOR suspension.

Count on best-in-class performance for life with the Daily's driveline. The advanced transmission ensures the high-efficiency engine always runs at optimal speed, resulting in a long life of performing at its best.

Add value to your business with the Daily, which will reliably carry your big payloads, benefiting your bottom line with its excellent fuel-efficiency and low TCO, right up to the end of its long life.

DAILY HI-MATIC: ABSOLUTE DRIVING PLEASURE

Choose from the extra wide engine offering. The Daily HI-MATIC offers an extensive engine line up, with two displacements of 2.3 litres and 3.0 litres and horsepower up to 170, providing a solution for every mission.

Sustainable driving pleasure powered by Natural Gas. The HI-MATIC absolute driving pleasure is available across the Daily Natural Power range, offering all the performance, efficiency and comfort benefits of the Daily HI-MATIC together with the sustainability and low TCO of IVECO's Natural Power technology.

Benefit from the Daily HI-MATIC's exceptional fuel economy with a choice of **ECO and Power Modes** feature, standard on the 2.3-litre engine. The transmission's self-adaptive shift strategy ensures the correct gear is engaged smoothly in less than 200 milliseconds. The wide ratio spread means the engine is always running in the optimal gear.

Drive in comfort with the first 8-speed automatic gearbox. Drive safely as you stay focused on the traffic and driving conditions with the ergonomic multifunctional shift lever; and enjoy absolute driving pleasure.

Enjoy the legendary durability and reliability of the Daily with a solution that protects the engine and the driveline reducing maintenance requirements.

Power your business with best-in-class performance. At the top of the range, the Daily HI-MATIC with the 3.0-litre F1C engine delivers a powerful 170 hp with 430 Nm torque. This best-in-class performance, coupled with the record gross weight of 7.0 tonnes, makes the Daily HI-MATIC the best solution for the most demanding missions.

DAILY BLUE POWER: SUSTAINABILITY CHAMPION

ENJOY UNLIMITED URBAN DELIVERIES

The Daily Blue Power provides the answer for your green transport requirements. It is the perfect vehicle for urban and suburban missions, offering sustainable technologies that give you access to city centres free from the constraints of environmental regulations.

	POWER	HI-MATIC	VAN						MINIBUS
			Single wheel	Twin wheel					
NATURAL POWER	136 hp	•	35S	35C	40C	50C	65C	70C	50C
ELECTRIC	80 kW	—	—	45C		50C			50C

• Available — Not available

DAILY HI-MATIC NATURAL POWER: SUSTAINABILITY & ABSOLUTE DRIVING PLEASURE

HI-MATIC COMFORT AND SAFETY

Drive in comfort and safety with the Daily HI-MATIC Natural Power, the first Natural Gas-powered vehicle in its class with an 8-speed automatic gearbox.

UNRIVALLED PERFORMANCE

You can count on the powerful and responsive performance of the 3.0-litre CNG engine, equal to its diesel equivalent. With 136 hp and best-in-class 350 Nm torque, you can tackle all missions.

OUTSTANDING FUEL ECONOMY

The HI-MATIC transmission and Natural Power engine push the boundaries of fuel economy. When you factor in the lower pump price of CNG in many countries, you will save up to 35% compared to diesel.

CLOSE TO ZERO CO₂ EMISSIONS

The HI-MATIC teamed up with the Natural Power engine cuts CO₂ emissions by up to 5% compared to diesel in real driving conditions in an urban context; with biomethane, by up to 95% - very close to zero emissions.

DAILY ELECTRIC: ZERO EMISSION LIGHT COMMERCIAL VEHICLE

200 km AUTONOMY

The flexible battery configuration combined with efficiency features including EcoPower mode and regenerating braking strategies deliver an exceptional range of up to 200 km in real urban conditions.

2-HOUR FAST CHARGING MODE

Charging your Daily Electric is as fast as 2 hours in Fast Charging mode on public and private charging points, and you can do it wherever you are with the patented Flexible Charging Modes and unique electrical vehicle inlet and connector.

ZERO EMISSIONS

The Daily Electric is a unique vehicle offering zero-emissions traction and the widest line-up in the industry.

UNLIMITED DAY AND NIGHT DELIVERY

Enjoy the full potential of the Daily Electric in cities with the strictest traffic and noise limitations, with its zero emissions and silent operation.

DAILY AT A GLANCE

RUN YOUR BUSINESS WITH POWER AND EFFICIENCY

- Choose the right engine for your mission from the extensive powertrain line-up with 2.3-litre and 3.0-litre displacements
- Save up to 10% in maintenance costs in urban missions thanks to constant innovations and longer oil change intervals
- Enjoy a performance equivalent to a diesel engine with the clean and quiet running of the Daily Natural Power

POWER YOUR MISSIONS

- Choose the performance you need for your business from the extensive line-up, with two engines; the 2.3-litre F1A, and the heavy-duty 3.0-litre F1C
- Take advantage of the broad range of power ratings, up to 170 hp, and torque up to 430 Nm
- Choose the Daily HI-MATIC Natural Power if you need a super-quiet, low-emissions vehicle for urban missions

ENDLESS OPPORTUNITIES

- Whatever your mission, you will find the perfect Daily for your business, with the widest line-up in the industry: from 3.3 to 7.0 tonnes GVW and cargo volumes from 7.3 to 19.6 m³
- Customise your Daily from the virtually endless availability of bodywork solutions
- Select the version that satisfies your transport requirements: panel van, semi-windowed and windowed van

BORN TO BE TOUGH

- Load your Daily to its maximum capacity and get the most demanding jobs done faster and with fewer trips – day after day, year after year
- Count on a front axle maximum load capacity as high as 2700 kg on the 7.0-tonne model with the QUAD-TOR suspension

BUILT TO LAST

- Rely on your Daily to deliver all the strength and power you need to carry the heaviest payloads, keeping up its top-notch performance day in day out throughout its long lifespan
- Count on the long life of the driveline, ensured by the advanced transmission and reliable engine that always runs at optimal speed
- Add value to your business with the Daily, which will carry big payloads benefiting your profitability with its fuel efficiency and low TCO

OPTIONS

TAILOR YOUR DAILY TO FIT YOUR MISSION

HI-CONNECT

Bring your digital life on board with Apple CarPlay and Android Auto™, and enjoy your apps on the user-friendly infotainment system with 7" screen, DAB radio, navigation system and much more.

OPEN COMPARTMENT WITH INDUCTIVE CHARGER

Ensure your mobile device always has a full battery; place it on the useful inductive charger next to your paperwork in the storage compartment integrated in the dashboard.

TABLET HOLDER

The useful tablet holder on the dashboard can safely keep in place mobile devices of all sizes. It can also be used as a practical clipboard to keep your paperwork in place.

AIR CONDITIONING WITH MANUAL OR AUTOMATIC CONTROL

Maintain a pleasant temperature in the cab with the Daily's air conditioning system. Choose from the efficient manual control or the automatic climate control that optimises the use of the compressor, reducing energy consumption.

WEBASTO INDEPENDENT HEATER

Cold starts are a thing of the past with the Webasto independent heater: set the timer to preheat the engine and the cab, and step into your pleasantly warm Daily van when you are ready to go.

LEATHER STEERING WHEEL

Enjoy the luxurious feel of the leather steering wheel on your long days at work with all the controls at your fingertips. No distractions, no effort.

SUSPENDED SEATS

The suspended seats, also available heated, offer extra comfort for the driver and passengers.

PREMIUM HEADREST

Drive in safety and comfort with the new premium textile foam headrest.

PASSENGER BENCH WITH EXTRACTABLE TABLE

Use your laptop and do your paperwork on the practical extractable table.

REAR AIR SUSPENSION

If your mission requires intensive loading and unloading activity, you will appreciate the rear air suspension, which quickly lowers and raises the loading bed so that you won't waste any time.

FULL LED HEADLIGHTS

The sharper beam of the LED lights carries further; improving your visibility and obstacle perception by 15%. You will also save on maintenance as the LED lights have extremely long life.

TELMA® ELECTROMAGNETIC RETARDER

The Telma® LVRS600 electromagnetic retarder delivers a braking torque of 350 Nm, with full compatibility with the ESP system. Available also on the Daily HI-MATIC family, it provides up to 80% of vehicle braking needs.

ALLOY WHEEL

Alloy wheels, the perfect combination of function and style, are so light that they increase the useful load by 10 kg. Only available for single wheel versions.

ECOSWITCH PRO

The intelligent EcoSwitch PRO system knows when to step in without intervention from the driver, reducing fuel consumption and further lowering the emissions generated by your Daily.

CARGO COMPARTMENT LED LIGHTS

The three new cargo compartment LED lights, positioned on the right and left sides and above the rear doors provide better illumination and reduce energy consumption.

HONEYCOMB LOAD SPACE TRIM AND FLOOR

The side panels and floor with an internal honeycomb structure are extremely resistant to humidity, chemical agents and scratches, providing the best possible protection for the vehicle.

WOODEN FLOOR TRIM

The wooden floor is custom-designed for the Daily, and provides excellent protection, even where the load is concentrated on the edges.

LINE UP

CHOOSE THE RIGHT DAILY TO SATISFY YOUR BUSINESS NEEDS

The Daily van offers the widest model range in the industry, with as many as 8000 factory versions to choose from. They combine the different wheelbases, power ratings, volumes, internal heights of the load compartment and load capacities to match a broad spectrum of missions.

CARGO VOLUMES

The wide offering of wheel bases, roof heights and rear overhangs results in a vast range of cargo volumes. In fact, the Daily is the only van offering cargo volumes from 7.3 m³ right up to the unique 19.6 m³.

Ⓐ WHEELBASE (mm)	Ⓑ VEHICLE LENGTH (mm)	Ⓒ LOAD COMPARTMENT LENGTH (mm)	Ⓓ LOAD COMPARTMENT WIDTH (mm)	Ⓔ HEIGHT / LOAD VOLUME			GROSS VEHICLE WEIGHT (tons)

ACCESSORIES

ENHANCE YOUR DAILY EXPERIENCE

Accessories help you personalise your workplace and feel at ease in every situation. Enhance your Daily's technology, comfort, safety, and efficiency with IVECO's full range of specifically designed accessories.

A TECHNOLOGY BOOST

Accessorize your mobile workstation with the most up-to-date technology. The new Android-based Multimedia System comes with an integrated GPS Navigation system and DAB+ radio integrated, rear camera and steering wheel controls as options to provide a complete multimedia navigation and reversing safety solution. The smartphone cradle perfectly fits the Daily dashboard and with the Qi technology you can recharge your smartphone wirelessly. (1/2)

MAXIMIZE YOUR EFFICIENCY

Choose from a great range of accessories to improve your vehicle's efficiency and profitability. The deflectors, designed for the Daily side windows, contribute to reducing aerodynamic resistance and turbulence without affecting visibility. The Anti-theft System ensures a quick refueling time and protects your fuel. (3/4)

DRIVE SAFELY

Tailor-made accessories will improve your safety while driving: the new pushbar, which has European certification, ensures safety at the front of the vehicle and increases active and passive protection of vehicle and pedestrian. The Wi-Fi Rear camera gives you visibility on the area behind the vehicle. With the dedicated App, you will have everything under control on your smartphone. (5/6)

FIT FOR YOUR MISSION

Give your Daily load space the best protection with custom designed trim and flooring resistant to scratches, humidity and chemical agents. Choose from a wide range of luggage racks made of lightweight corrosion-proof aluminum that are easy to install. Add to the rack a tube holder, beacon holder and floor platform for the best versatility. Complete your vehicle dressing up by choosing the most suitable mats and seat covers for your activity. (7/8)

You can also find the complete accessories line offering in the Accessories Catalogue and in the on-line catalogue using the following link:
